

The Punishment Of My Mafia Of Sin And Wickedness

“I see what you do, Oh evil Mafia, and I Am extremely displeased at what you do, even burning with anger and rage at you unto eternal Hell. And that’s where you shall go, Oh evil Mafiosos, unless you repent of your sins. So repent quickly while you have the time unto Me, the Living God, even Jesus Christ, with Whom you have to do, Oh evil men of sin and vice. For eternal Hell burns below you, and waits for your guilty souls to arrive there in eternal torments. I have seen what you have done, and I Am giving you one more chance to repent and come to Me, Jesus Christ, even the Living God, with Whom you have to do. So serve Me in your final years and stop running with the Devil with

all of your associates, or else I will put you guilty Italians in Hell for all your sins and crimes against Me. Thus says the Living God, your Savior forever!”
